Call for Proposals for International Teams in Space Science

(incl. Geosciences)

Announcement.

The International Space Science Institute (ISSI) in Bern, Switzerland, invites proposals from International Teams to conduct on its premises study activities in Space Science (Earth System sciences, Solar and Solar Terrestrial science, Planetary science, Astrobiology, Astrophysics and Fundamental physics), based on the analysis and evaluation of existing data from several spacecraft and eventual integration with ground observations and theoretical models.

Letter of Intent: February 19, 2008

Deadline for proposals: March 23, 2008

Applications: The text of the Call is hereby attached, and to be found as well on the ISSI site
www.issibern.ch/visitors.html

Bern, 17 January 2008
